

## Blog on the Small Scale certification

### Needing additional information?

Small-Scale Certification – Important Documentation

1. **Survey on Small-Scale Certification** – Questions and responses received
2. **Translation of French responses** to Questionnaire
3. **COABC Small Scale Certification Research Project:** Exploring Issues, Challenges and Options for Small Scale Producers
4. **Trust & Transparency** - Alternative approach to assuring compliance to the organic standards based on trust and transparency
5. **Organic integrity at Farmers Markets** - Describing the benefits of Organic Certification for vendors at British Columbia Farmers Markets
6. **Affidavits, Pledges** - A selection of affidavit and pledges from several organizations.

*The “Working Group on Small Scale Organic Certification” is part of the Review of the Canadian Organic Standards currently underway. Based on the response to those proposals recommendations will be made to the Committee on Organic Agriculture of the Canadian General Standards Board in 2015.*
